DEIDRICK'S RESIDENCE.

He Cannot Devote Much Time to Councilmanic Business.

It has developed that W. H. Deidrick, candidate for council in the Third ward, would not be the best man imaginable for the position. Deidrick is a traveling salesman and last year spent 27 weeks on the road. As council only holds 24 meetings a year, the uselessness of Mr. Deidrick as a councilman can be readily seen.

Another matter not to be forgotten is the fact that there is already a traveler in council, and if Deidrick is elected and both of them should be away at the same time, council could do nothing in the way of important business. For the good of the city Deidrick should be defeated.

MUCH INTEREST

Is Being Shown at the Second Presbyterian Church.

Much interest has been manifest in the meetings this week in the Second Presbyterian church, East End, under the preaching of Rev. J. H. Hosick, of Hookstown. Unlike many evangelistic preachers, Mr. Hosick does not appeal to the feelings; in fact, he rather discourages that, but insists upon "faith" being first.

The text last evening was from Acts 16:30—"What must I do to be saved?" and the answer given to his congregation was the same as Paul gave to the Philippian jailer, "Believe on the Lord Jesus Christ and thou shalt be saved." What will be the result? Salvation, full and free; the doors of hell will be barred, the gates of heaven will swing wide open; there will be a glorious future. And listen! To him who has faith, death can have no sting, the grave can have no victory. Will you accept of this great salvation by grace, through faith?

William Bradley Must Answer In Lisbon.

BUSINESS MEN AS WITNESSES

They Remembered the Transactions In Which the Accused Disposed of Eggs and Received Checks and Cash in Payment—Some Damaging Testimony.

The case of William Bradley, charged by William T. Pilgrim with embezzlement and appropriating funds, was tried in Mayor Gilbert's court yesterday afternoon.

William T. Pilgrim was the first witness. He said Bradley was employed by him as agent and clerk and had been since June of last year. He thought him a good boy, and only once did he know of him drinking, and until March 7 he was found to be honest. Witness stated he was in the commission business and had bought the goods from Charles Beckwith, of the steamer Lorena.

Albert Geon, James A. Johnson, Albert Pierce, T. J. Barnes, J. M. Smith, G. W. Allison, John Pollock and Jack Peake were the witnesses in the case, and each stated they bought eggs from Bradley on the morning of March 7; they paid Bradley as usual. In some instances cash was given; in others checks payable to Pilgrim and others to Bradley. In two instances payment was stopped on the paper. Bradley in the meantime cashed checks at the Citizens' National and First National banks. Two of the checks were destroyed. Pilgrim stated that the total amount missing was \$108.60.

Perry Stevens, a 16-year-old lad who went east with Bradley, said:

"We collected all day and sold some eggs. Bradley went in several saloons and in one of them we both drank. He bought a half pint, and we drank that. He also bought me some pop and beer. During the evening of March 7 we took a street car to East End and walked to Smith's Ferry. Bradley bought two tickets for Pittsburg, and then we went to Philadelphia. We beat our way back. I had no money, and Bradley purchased the tickets and other things on the money, I suppose, he secured during the day collecting."

The attorneys waived argument, and the mayor held Bradley for court in the sum of \$500 bail.

THREW A MATCH ON THE FLOOR.

It Frightened the Little One and Burned a Hole.

A little girl named Ford, who lives with her parents in Eighth street, last night threw a lighted match on the floor. It dropped on an apron, and in a moment there was a blaze.

Members of the family quickly extinguished the fire, but not before the apron had been destroyed and a hole burned in the floor. The little girl was badly frightened, but fortunately escaped without injury.

NAMED THE CANDIDATES

For the Board of Education
Under the New Law.

ALL PRESENT MEMBERS IN

Others Were Also Chosen, and the Seven
Who Receive the Largest Vote Will Be
Declared Elected—Inspectors Who Will
Keep Watch at the Polling Places.

The central committee held an open
meeting last evening in council chamber
for the purpose of nominating candi-
dates for board of education in accord-
ance with the new law.

The following names were received:
Thomas Fisher, M. F. Albright, O. C.
Vodrey, First ward; Frank Pittenger,
W. B. Hill, W. T. Norris, Second ward;
G. C. Murphy, Harry Peach, L. O. Wil-
liams, Third ward; Matthew Anderson,
Fourth ward.

There are only seven candidates to be
elected, and it was decided that the
four receiving the highest number of
votes would be placed on the ticket for
the long term and the next three would
be given the short term.

In reply to a question, Chairman Nel-
lis stated that he interviewed Solicitor
Grosshans in regard to the law, and had
been advised that it was constitutional.

It was decided to permit the persons
who live in the western part of the town-
ship to vote at the second precinct of the
Fourth ward, as the distance to city hall
is considered too far for them to walk.
The eastern end of the township was ac-
cording the same privilege several years
ago, and does its voting in the first
precinct of the First ward.

The meeting was declared adjourned,
and the candidates organized to choose
inspectors, by electing George W. Ash-
baugh, chairman, and M. J. McGarry,
secretary.

Chairman Ashbaugh stated that the
object of the meeting was to choose
three inspectors for each precinct in the
city. M. M. McClure said he thought
if the candidates could center on one
honest man it would greatly facilitate
matters. James Reark said it was the
wish of the central committee that
three inspectors be appointed.

The following persons were then
chosen:

First ward—First precinct, William
Kinney, Samuel Dixon, James Martin;
Second precinct, M. T. Bennett, David
Calhoun, J. H. Brookes; Third precinct,
Edward Green, Emory Ritchey, James
Wildblood.

Second ward—First precinct, William
Tritt, Thomas Anderson, R. G. Thomp-
son; Second precinct, Major Adams,
James Barker, Jethro Manley.

Third ward—First precinct, Harry
Skelton, F. H. Croxall, George Adam;
second precinct, Willard Cochran, Jean
Jester, John Weingartner.

Fourth ward—First precinct, John
Owen, G. W. Ashbaugh, W. A. Cal-
houn; second precinct, M. D. Logan,
William Pollock, James Rigby.

The candidates agreed to deliver the
certificates to the inspectors, and the
meeting adjourned.

IN REBEL PRISONS.

The Lecture Was Received With Keen
Delight.

Rev. L. H. Stewart, formerly presid-
ing elder of this district of the Metho-
dist Episcopal conference, lectured at
the First M. E. church last night on
"Life in Rebel Prisons." For over two
hours he gave a description of camp,
army and prison life, embracing Ander-
sonville and Florence prisons, interspers-
ing his account with laughable incidents
and witticisms, holding the close atten-
tion of his delighted audience from start
to finish. The writer was in Anderson-
ville from the time the first three hun-
dred men were taken there, until after
35,000 prisoners had been brought in,
and until 13,705 men had died and been
starved to death, or murdered by being
shot from the top of the stockade, and
he is able to testify that Reverend Stew-
art knew what he was talking about
last night, although the reverend gen-
tleman eliminated, as far as possible, the
horrible features associated with that
prison pen of death. At the conclusion
of his address, the lecturer spoke feel-
ingly of the horrors of the situation now
existing in Cuba, asserting that the Mas-
ter will demand that right shall triumph
and that the perpetrators of the horrible
crimes being inflicted upon men, wo-
men and children shall meet with hot
punishment for their awful crimes. The
speaker deprecated war, with its at-
tendant horrors, but asserted that there

The Trenton correspondent of China,

although a little more would not crowd

complaint, as this season of the year is
generally a little off. For some lines
there are tolerably nice orders, but large
dealings are not expected until on

NAMED THE CANDIDATES

For the Board of Education
Under the New Law.

ALL PRESENT MEMBERS IN

Others Were Also Chosen, and the Seven
Who Receive the Largest Vote Will Be
Declared Elected—Inspectors Who Will
Keep Watch at the Polling Places.

The central committee held an open
meeting last evening in council chamber
for the purpose of nominating candi-
dates for board of education in accord-
ance with the new law.

The following names were received:
Thomas Fisher, M. F. Albright, O. C.
Vodrey, First ward; Frank Pittenger,
W. B. Hill, W. T. Norris, Second ward;
G. C. Murphy, Harry Peach, L. O. Wil-
liams, Third ward; Matthew Anderson,
Fourth ward.

There are only seven candidates to be
elected, and it was decided that the
four receiving the highest number of
votes would be placed on the ticket for
the long term and the next three would
be given the short term.

In reply to a question, Chairman Nel-
lis stated that he interviewed Solicitor
Grosshans in regard to the law, and had
been advised that it was constitutional.

It was decided to permit the persons
who live in the western part of the town-
ship to vote at the second precinct of the
Fourth ward, as the distance to city hall
is considered too far for them to walk.
The eastern end of the township was ac-
cording the same privilege several years
ago, and does its voting in the first
precinct of the First ward.

The meeting was declared adjourned,
and the candidates organized to choose
inspectors, by electing George W. Ash-
baugh, chairman, and M. J. McGarry,
secretary.

Chairman Ashbaugh stated that the
object of the meeting was to choose
three inspectors for each precinct in the
city. M. M. McClure said he thought
if the candidates could center on one
honest man it would greatly facilitate
matters. James Reark said it was the
wish of the central committee that
three inspectors be appointed.

The following persons were then
chosen:

First ward—First precinct, William
Kinney, Samuel Dixon, James Martin;
Second precinct, M. T. Bennett, David
Calkoun, J. H. Brookes; Third precinct,
Edward Green, Emory Ritchey, James
Wildblood.

Second ward—First precinct, William
Tritt, Thomas Anderson, R. G. Thomp-
son; Second precinct, Major Adams,
James Barker, Jethro Manley.

Third ward—First precinct, Harry
Skelton, F. H. Croxall, George Adam;
second precinct, Williard Cochran, Jean
Jester, John Weingartner.

Fourth ward—First precinct, John
Owen, G. W. Ashbaugh, W. A. Cal-
houn; second precinct, M. D. Logan,
William Pollock, James Rigby.

The candidates agreed to deliver the
certificates to the inspectors, and the
meeting adjourned.

IN REBEL PRISONS.

The Lecture Was Received With Keen
Delight.

Rev. L. H. Stewart, formerly presid-
ing elder of this district of the Metho-
dist Episcopal conference, lectured at
the First M. E. church last night on
"Life In Rebel Prisons." For over two
hours he gave a description of camp,
army and prison life, embracing Ander-
sonville and Florence prisons, interspers-
ing his account with laughable incidents
and witticisms, holding the close atten-
tion of his delighted audience from start
to finish. The writer was in Anderson-
ville from the time the first three hun-
dred men were taken there, until after
36,000 prisoners had been brought in,
and until 13,705 men had died and been
starved to death, or murdered by being
shot from the top of the stockade, and
he is able to testify that Reverend Stew-
art knew what he was talking about
last night, although the reverend gen-
tleman eliminated, as far as possible, the
horrible features associated with that
prison pen of death. At the conclusion
of his address, the lecturer spoke feel-
ingly of the horrors of the situation now
existing in Cuba, asserting that the Mas-
ter will demand that right shall triumph
and that the perpetrators of the horrible
cruelties being inflicted upon men, wo-
men and children shall meet with hot
punishment for their awful crimes. The
speaker deprecated war, with its at-
tendant horrors, but asserted that there

UNION PAPERS.

All Union papers of East Liverpool are
known to the various craft and unions of
the city by the printing of the above
Union Label at the head of their columns.

A VOTE in the right direction tomorrow will be a vote for those men who can be trusted to enforce the law in East Liverpool.

THE principal issue in this campaign is the question of good municipal government. Vote for the right men tomorrow, and the problem will be easily solved.

SPAIN cannot long retain its hold in the western hemisphere. It has been playing a losing game for a century, and the time has almost come for that game to reach its end.

THINGS have come to a pretty pass when a newspaper man possessing the knowledge of the business generally credited to Allen O. Myers will sue a man for libel. Either the charge was one that went clear through, or the resourceful Allen is entering upon another series of bluffs.

THE demand for a complete and exhaustive investigation of the charges now being considered by a legislative committee in Columbus is general throughout the state. There should be no thought of whitewash. If any man is guilty let him be punished, and if he is innocent he should be so declared.

SENATOR PROCTOR recently went to Cuba to investigate the condition of the people, and when he says that autonomy is a failure and hundreds of poor wretches are daily dying from starvation, it can be taken as truth. In view of this fact it is possible the administration will soon have something interesting for the public.

THE row which is just now interesting the Democrats of Ohio has reached that point where McLean must do something quickly if he expects to save the state to himself. The worm has withstood the contempt of the leading faction so long that it has been gaining strength, and now that it has turned it is showing the power of a boa constrictor.

RULE OR RUIN.

The silver element of the Democratic party will not allow compromise. With its leaders there can be no intermediate position. They demand that every member of the party thinks as they think, or they read him out without further ceremony. In this way they have lost the influence of many Democrats who refuse to swallow the silver syndicate without some concession, but they steadily maintain their position. With that stubbornness akin to fanaticism, they continue to stand by their expiring cause, giving to the public no excuse for their fidelity.

GO TO THE POLLS.

It is the duty of every Republican to go the polls tomorrow afternoon and cast his ballot for those candidates upon whom he can rely. If you do not vote at the primaries, and the ticket nominated does not meet your approval, do not complain, for you neglected the opportunity presented for having it otherwise. The matter is now in the hands of the people. It is for them to say whether the next administration will be one of which Republicans can be proud, or whether it will be such as to cause every honest member of the party to bow his head in shame when he remembers that he is a Republican. Go to the polls tomorrow and vote for the right man.

ALLMAN GETS DAMAGES.

Jury Awarded Him \$500 Yesterday Afternoon.

The trial of the suit of Harry Allman against Wellsville, in which he asked \$5,000 damages because his arm was permanently injured, ended in Lisbon yesterday when the jury gave him a verdict for \$500. The trial was a hard fought battle.

Last evening the Rechabite social, the vitascope entertainment, the immaculate church concert and entertainment and the social given in honor of Mr. and Mrs. F. M. Hawley were all well attended.

Daniel Cook, of New York, was arrested by Officer Moore, charged with train jumping, and Nick Rogers, of Bay City, by Officers Schiffler and Moore on a similar charge. They were brought before Justice MacKenzie, where they plead guilty and were fined \$1 and costs. Failing to pay they were remanded to jail.

E. H. Wells & Co. have entered suit against Wilber Simpson and wife for \$11.26, in Squire Riley's court. The case is set for Saturday at 9 a. m.

experienced a genuine boom last week.

Our Opening

brought visitors to whom our vast stock was a revelation.

They could scarcely believe that we were only showing our regular lines.

And as our prices are as astonishingly small as the variety is large, Visitors became Buyers.

We hope, if you have not already done so, you will visit the Big Store during this opening, for you will gain much information regarding the prevailing styles of Carpets.

We are not neglecting our

during our Carpet Opening.

The past week we received some of the finest

WELLSVILLE.

ALLMAN GETS DAMAGES.

Jury Awarded Him \$500 Yesterday Afternoon.

The trial of the suit of Harry Allman against Wellsville, in which he asked \$5,000 damages because his arm was permanently injured, ended in Lisbon yesterday when the jury gave him a verdict for \$500. The trial was a hard fought battle.

Joe Geisse, who was recently fined by Judge Smith for conducting a gambling room in this place, was not sent to Canton. His fine was paid yesterday and he was released.

Last evening the Rechabite social, the vitascope entertainment, the immaculate church concert and entertainment and the social given in honor of Mr. and Mrs. F. M. Hawley were all well attended.

Daniel Cook, of New York, was arrested by Officer Moore, charged with train jumping, and Nick Rogers, of Bay City, by Officers Schiffer and Moore on a similar charge. They were brought before Justice MacKenzie, where they plead guilty and were fined \$1 and costs. Failing to pay they were remanded to jail.

E. H. Wells & Co. have entered suit against Wilber Simpson and wife for \$11.26, in Squire Riley's court. The case is set for Saturday at 9 a. m.

Mrs. Frank Minnick went to Cleveland on the morning train.

THE SPINSTERS.

There Will Be Genuine Fun at the Opera House.

The "Spinsters" will be on deck at the Grand Opera House on Monday and Tuesday nights, March 21 and 22. The program will be rich and varied, with gems in the line of vocal and instrumental music, home and foreign talent, with genuine treats in the way of elocution. Miss Blanche Bray, of Pennsylvania, Mr. Jackson, Steubenville, Annie Laughlin, Ruth Roberts and Miss Standish and Mr. Ed Mackintosh will take part, in connection with a number of popular local artists, and you will regret it if you fail to be present. You can have a million laughs, and laughter is preferable to medicine. The chart for Monday night will be open Saturday morning, and the chart for Tuesday night will be open next Monday morning. Handling the Long Green.

IT CAME FROM THE WHISKY RING

In the Hope of Saving Their Candidate
Tomorrow—Keep an Eye Open, and
Allow None but Known Republicans

A well-known and fully "MARKED
DEMOCRAT" is handling money for the
whisky ring candidate on the Republi-
can ticket. This fellow has been clos-
eted with members of the whisky ring
and their candidates on different occa-
sions of late, and now he has been en-
trusted with snug sums of money, in
order to carry out his dirty work. He
has offered sums of from \$5 to \$10 for
workers, and his efforts have been
exposed by men who refused his
dirty money and despise his personality.
Republicans, men of principle, are on
the lookout, and the determination is
that the Democrat who attempts to vote
at the Republican primaries will get
into serious difficulty. Central com-
mitteemen have been warned that any
skulduggery will meet punishment
hot and swift. Keen witted and observ-
ant men will be on duty tomorrow, from
the opening to the closing of the polls,
and would-be tricksters will get into
boiling water if they dare attempt any
dirty work. Eternal vigilance is the
price of liberty. The gang of law-
breakers recognize the fact that a fair
ballot will defeat them, and they are
desperate. Keep your eyes open. True
Republicans will not support a candi-
date who will deliberately violate his
oath of office and premeditatedly play
into the hands of evildoers and men of
lawlessness.

Why They No Longer Appear in the
Lower Region Sheet.

EDITOR NEWS REVIEW:—Several days
after you commenced publishing cuts of
the war vessels of the U. S. navy, the
lower region sheet followed suit. As it
is in the habit of clipping important lo-
cal happenings from your paper, and
publishing them the day following, we
are led to inquire: "Did the lower re-
gion sheet borrow or steal your cuts?"

TO THE READERS:—We did allow
the plates to be used by the petty lower
region sheet, but the supposititious pro-
prietor was so ungrateful that we cut
off his supply, as you will note by ex-
amination of his sheet of limited and
circumscribed circulation, and dissemi-
nator of ancient history.—[EDITOR.]

Why Cars Are Late.

Road Officer Tinson, of the street car
line, states that the cars leave Wells-
ville on time every evening unless they
are held in this city to carry the Wells-
ville patrons of the theater. The car
was late Wednesday evening owing to
the fact that it was held in Wellsville
for a party.

Soon to Start.

It was stated this morning that work
on the new siding, to be built by the
Cleveland and Pittsburg company be-
tween Dry Run and East End, would
commence as soon as the work in West
End is completed. All the plans have
been prepared. Several months will be

BEHAVED HIMSELF VERY WELL

An Old Friend From Columbiana County Called to See Him, and Instead of Admitting the Visitor Warden Coffin Sent a Runner For the Tamed Demon.

Ira Marlatt is behaving himself so well at the penitentiary that he is now allowed to appear in the office. The Columbus Journal of yesterday has the following to say of his latest privilege.

"Ira Marlatt passed through the guard room and out into the front office Wednesday morning for the first time since he was received. Charles Holloway, a resident of Columbiana county and an old friend of Marlatt's, called at the office and asked to be permitted to see the prisoner, and his request was granted. The runner was sent after Marlatt, who shortly appeared in the office, and was greeted by his friend. Marlatt did not know him at first, but only a word of introduction was necessary and the two men spent a half hour pleasantly. When the visitor left Marlatt turned to the warden and asked if he wished to say anything to him, and upon receipt of the negative answer, went back to his place in the hospital. Marlatt has been behaving himself in a most becoming manner for a long time."
